Dear Sir

VICTORIA INSTITUTION SCOUTING CENTENARY DINNER

The two scout groups in Victoria Institution (VI), namely the First Kuala Lumpur Scout Group and the Second Kuala Lumpur Scout Group (Victoria Scout Group) are celebrating a centenary of Scouting In VI. The VI Scout Centenary Committee (VISCC) was set up to support the celebration of the centennial events and raise fund for the rebuilding of the Scout Den.

The Scout Den, built in 1976 from funds raised by the school, was the centre of the scouting activities. It had literally been the home for the scouts for 31 years before it was destroyed in a fire in 2007, which has greatly affected the morale of the scouts.

A fund raising Centenary Dinner has been planned, incorporating a Gang Show on 31st July 2010 at Park Royal Hotel, Kuala Lumpur. Yang Berbahagia Tan Sri Kamarul Ariffin Mohamed Yassin, an illustrious alumni of both the school and the scouting movement, has graciously agreed to be the patron of the dinner.

As part of the fund raising efforts, we would greatly appreciate your support to the building of Malaysian youth through the scouting movement by advertising in the souvenir programme for the dinner (details are in the form enclosed).

We would also appreciate any other form of sponsorship to make the event a success.
